BABY SHOWERS

We understand that preparing to welcome a new baby is a special and exciting time, so our aim is to make planning your baby shower enjoyable.

Choose the package that feels right for you, let us know the expected number of guests, and then decide how involved you'd like to be. Whether you'd prefer us to take care of everything or you'd like to add your own personal touches, we're here to help make the celebration just how you imagine it!

For private groups, afternoon tea is served as standard. However, if you are looking for something more bespoke such as buffets or BBQs, our team would be happy to provide a tailored quote.
